ABOUT US

Dinotic Energy is a South African-based wholesale distribution company established in 2008.

The company specializes in the distribution of various energy sources including Petrol, Diesel, LP Gas, and IP Wholesale. Dinotec Energy has established itself as a trusted supplier of energy products in the South African market, providing reliable and cost-effective solutions to meet the needs of its customers.

VISION

Dinotic Energy aims to be a leading distributor of energy products in South Africa, delivering innovative solutions to meet the evolving needs of our customers while maintaining a commitment to sustainability and social responsibility.

MISSION

Our mission is to provide our customers with high-quality energy products at competitive prices, while ensuring the highest level of service and customer satisfaction. We are committed to building long-term relationships with our customers and suppliers based on trust, reliability, and integrity.

Dinotic Energy has a team of experienced professionals who are dedicated to ensuring the company's success by providing exceptional customer service, maintaining high-quality products, and embracing innovative technologies to improve efficiency and productivity.

The company's goal is to continue to expand its operations and reach new markets while maintaining its commitment to quality and sustainability. Dinotic Energy aims to play a key role in South Africa's energy industry by providing reliable and cost-effective solutions to meet the needs of businesses and consumers across the country.

SERVICES

PETROLEUM

Dinotic Energy has a dedicated and reliable fleet of vehicles that can deliver Petrol in the quantity you need, to a destination that suits you, in an effective, reliable and timeous manner.

DIESEL

Dinotic Energy has a dedicated and reliable fleet of vehicles that can deliver Diesel in the quantity you need, to a destination that suits you, in an effective, reliable and timeous manner.

IP

Is the most cost-effective forms of burning fuel, and is used by thousands of South Africans. Used mainly for heating, cooling, and cooking, paraffin can be bought in large volumes can be delivered country-wide.

WHY DINOTIC

SOLID WORK ETHIC:

Ensuring honesty and integrity within our company is of paramount importance to us. We firmly believe that fostering positive relationships should be a key priority regardless of the outcome of any business transactions.

SPEED AND RELIABILITY:

The success of a company is heavily reliant on its clients. At Dinotic Energy, we prioritize our clients by striving to effectively meet their unique needs and requirements.

QUALITY PRODUCTS AND SERVICES:

Dinotic Energy exclusively offers gas and petroleum products that have undergone rigorous re-validation processes to ensure their safety and suitability for use in the market.

VALUE FOR MONEY

Our company firmly believes in the concept of a "win-win situation" where success is achieved only when all involved parties benefit from a positive outcome.
